

I am providing this written statement after being interviewed by Raymond J. Melder, a licensed private investigator and in the presence of my Mother, Lynn Reina. I have been given the opportunity to discuss this matter with My Parents and I freely and voluntarily provide this statement knowing it will be utilized in the case of Commonwealth VS. T [REDACTED] F [REDACTED]. I have also been told that Raymond Melder is an investigator for Attorney Michael Pawk and T [REDACTED] F [REDACTED].

On Friday March 23 I attended school.

I came home at 3:00. I received a text from C [REDACTED] asking to come over and hangout. C [REDACTED]'s mom came and

picked me up. C [REDACTED] and E [REDACTED] were in the vehicle. We picked up pizza and went to C [REDACTED]'s. C [REDACTED]'s mom stay 10 min then left.

Everyone was sitting around on our phones eating pizza then we went to go straighten my hair. Then we went back down stairs and sat on the couch in the living room. C [REDACTED] and E [REDACTED] went and grabbed alcohol drinks from the downstairs. One bottle was a tall bottle with an orange beverage. C [REDACTED] told E [REDACTED] not to drink too much because her mom would find out. C [REDACTED] drank a lot more alcohol then E [REDACTED] she only had half of one and C [REDACTED] had several.

While drinking in the living room
 C[REDACTED] was texting J[REDACTED] to come over.
 C[REDACTED] told E[REDACTED] and I that J[REDACTED]
 couldn't come over. C[REDACTED] sent and received
 texts messages at this time. E[REDACTED] took
 C[REDACTED]'s phone because she wanted to text
 her boyfriend because her phone was
 shut off. E[REDACTED] and I are sitting on the
 living room couch at this time. E[REDACTED] sees
 a snapchat on C[REDACTED]'s phone from
 T[REDACTED] and clicks on it and it says
 "ya ill be there in a couple minutes". This
 is a notification on top of the screen
 E[REDACTED] and I saw. C[REDACTED] then told E[REDACTED] to
 give her back her phone. Me, C[REDACTED] and
 E[REDACTED] remained sitting in the living room
 and about 10-20 minutes T[REDACTED] appeared
 at the door, the main door was open
 and the screen/glass door was shut.
 T[REDACTED] came in took off his shoes and
 played with C[REDACTED]'s dog. T[REDACTED] did not
 talk alot, and did not drink. C[REDACTED] appears
 to begin to be intoxicated before he arrived
 but got worse and worse as he
 was there.

The whole situation became kinda awkward when everyone was just sitting there. We stayed in the living room having small conversations. E [redacted] and I went upstairs less than a minute before I went back down stairs and went to see what C [redacted] and T [redacted] were doing. C [redacted] was wearing her black cheer shorts. I see T [redacted] and C [redacted] in the kitchen / hallway. C [redacted] is leaning up against T [redacted]. No one was leaning against anything just standing there. I saw C [redacted]'s hand in T [redacted]'s pants. I don't believe T [redacted] had his hands or arm around C [redacted]. It looked that C [redacted] was all over T [redacted] because she was up against him. C [redacted] gave no appearance that she didn't like it or was uncomfortable. When T [redacted] and C [redacted] both noticed me they both jumped and moved away from each other. Then T [redacted] me and C [redacted] went to C [redacted]'s bedroom. E [redacted] was up against the wall on the bed. C [redacted] was laying straight out on the bed. I was at the end of the bed and T [redacted] was on C [redacted]'s chair.

TIME SHEET

Pg 4)

T [redacted] was playfully swinging his phone cord, and accidentally hit me with it. Then T [redacted] hit C [redacted] with it in the leg and stomach and C [redacted] didn't say anything to him to stop. So he just stopped. E [redacted] was sitting up against the wall just sitting on her phone and E [redacted] and I were minding our own business and we were vaping. C [redacted] was still acting intoxicated at this time. T [redacted] left after E [redacted] told him C [redacted]'s parents were on their way home and T [redacted] said "Ya my mom should be home soon to." After T [redacted] left C [redacted] seemed to become sober right when he left. E [redacted] and I were in the bedroom the whole time and did not see or hear T [redacted] slam her head off a wall. C [redacted] has said she felt awkward with him before because of bus issues. After this incident C [redacted] has been adding to the story that isn't true. Like T [redacted] hitting her head off a wall. C [redacted] told me not to tell the school about the alcohol. R [redacted] R [redacted]
